

NEWSLETTER 2023

As the year draws to a close, we want to give everyone a glimpse of the cascade of our Bicentenary events, which dazzled throughout the year. We, the immediate College community of students and staff, and the loyal alumni and well-wishers came together to celebrate the Johnianism our alma mater has imparted. We express our gratitude for your continuous support and prayers on behalf of our alma mater.

*We wish you all the very best for the New Year 2024.
May the Almighty bestow abundant blessings upon you and yours.*
